SOCIETY OF COLONIAL WARS

IN THE
STATE OF OHIO.

OBJECTS OF THE SOCIETY.

The Society of Colonial Wars is instituted to perpetuate the memory of the events of American Colonial History, and of the men who, in military and naval service, and in civil positions of trust and responsibility, by their acts or counsel assisted in the establishment, defense and preservation of the American Colonies, thereby laying the foundation of the Nation.

With this purpose in view, it seeks to collect and preserve manuscripts, rolls, relics and records; to provide suitable commemorations of events in Colonial History; and to inspire in its members the fraternal and patriotic spirit of their forefathers, and in the community, respect and reverence for those whose public service made our freedom and unity possible.

It differs from the ordinary Historical Societies, in aiming rather to popularize the results of historical investigation; to give life and color to the men and events of our grand formative epoch; while it requires certain social and ancestral qualifications on the part of its members.

QUALIFICATIONS FOR MEMBERSHIP.

Any male person above the age of twenty-one years, of good moral character and reputation, is eligible to membership in the Society of Colonial Wars in the State of Ohio, who is lineally descended from an ancestor:—

1. Who fought in battle under Colonial authority prior to the year 1700.
2. Or who served as a Governor, Deputy Governor, Lieutenant-Governor, or Member of the Council or Assembly, or as

a Military, Naval or Marine Officer, in the service of the Colonies, or under the banner of Great Britain in North America; in the wars in which said Colonies participated or furnished troops, from the settlement of Jamestown, Virginia, May 13th, 1607, to the battle of Lexington, April 19th, 1775.

METHOD OF ADMISSION.

Gentlemen who are invited to become members, file with the Secretary preliminary applications, on forms provided for the purpose, stating the name, residence and services of the Colonial ancestors from whom they derive eligibility. If a preliminary application is satisfactory, the candidate is provided with formal application papers in duplicate, which must be subscribed by him, be approved by two members of the Society over their signatures, and contain the detailed pedigree of descent from a Colonial ancestor conferring eligibility. Supplemental lines of descent from other ancestors, coming within the categories given above, are filed after admission, also in duplicate.

REQUIREMENTS.

All application papers, whether original or supplementary, in order to be acceptable, should conform to the following requirements:

1. The correctness of the pedigree should be proved by full references to authorities, giving title of work, volume and page, and in cases where the reference is to rare volumes, or to manuscripts, certified extracts should commonly accompany the application. The Membership Committee or the Registrar may at any time require such certified extracts.

2. No cyclopedias or family histories will be accepted as authority for the service or official position of an ancestor, but particular reference, giving title, volume and page, must be made to Documentary Records of the various Colonies, Published Archives, Proceedings of Congresses, Conventions, Assemblies and Councils of the united or the several Colonies, or to Historical and Genealogical Works of a general character and of recognized importance and essential accuracy.

Reference for services to unprinted documents is to be supported by two type-written copies of such documents or the pertinent portions thereof, and by loan of the original documents

to the Registrar, when possible, such originals to be returned to the applicant after verification.

3. All applications must be sworn to before a Notary, Commissioner or other proper officer, and be sealed by such officer if he have a seal. Original applications must be signed in approval by two members of the Society.

The above rules are essentially those required by the office of the Registrar-General, and all papers already in his office, or that may hereafter be received, will be judged by them. Any papers that are found to be defective or inaccurate will be returned by the Secretary to the applicant for correction.

But no member shall be expelled or suspended, unless written charges be presented against such member to the Council. The Council shall give reasonable notice of such charges, and afford such member reasonable opportunity to be heard and to refute the same. The Council, after hearing such charges, may recommend to the Society the suspension or expulsion of such member, and if the recommendation of the Council be adopted by a majority vote of the members of the Society present at such Court, he shall be so expelled or suspended, and the insignia of such member shall thereupon be returned to the Society, and his rights therein shall be extinguished or suspended. If practical, members shall attend the obsequies. Upon official information of the decease of a member, it shall be the duty of the Governor to appoint four members as a Committee to represent the Society at the funeral ceremonies.

ALTERATION AND AMENDMENT.

SEC. 18. No alteration or amendment of the By-Laws shall be made unless notice shall have been

On June 1, 1895, at the residence of Michael Myers Shoemaker, Esq., Cincinnati, the Society organized with a charter membership of fifteen, and held its first General Court, electing a full corps of officers. Memoranda Concerning the General Society of Colonial Wars and the Other State Societies.

The General Society was organized May 9th and 10th, 1893, in the Governor's Room, City Hall, New York, by delegates from five States and the District of Columbia. It consists of the Societies now existing and such other State Societies as may from time to time, be duly organized and authorized by the General Society. It has sole power of action in the National, as distinct from the State, affairs of the organization. It has jurisdiction to pass upon all questions of eligibility referred to it by the Registrar-General. It does not otherwise interfere in the regulations or government of any State Society, unless by a plurality vote of the General Assembly, when the surrender of the charter of a State Society may be demanded, should an investigation show that such action is necessary for the welfare of the Societies at large. It has power to grant charters in States other than those in which the Society is already organized. It issues the insignia and the diplomas of membership, and publishes the Annual Register with the co-operation of the several State Societies, the cost being defrayed by the latter in proportion to their membership.

The General Council is composed of all the General Officers, and exercises the powers of the General Society (except those of demanding State Charters and of amending the Constitution) between meetings of the General Assembly, to which latter body it regularly reports all its transactions. The General Council meets semi-annually in the months of November and May, on such days as may be fixed by the Governor-General, or in the case of his inability, by the Secretary-General. Meetings are usually held in the City of New York.

General Assemblies.

The regular meetings of the General Society are termed "General Assemblies," and are held once every three years, at such time and place as the preceding General Assembly appoints.

The next General Assembly will be held in 1899.
